JAPANESE Y. M. C. A. ACTS AS HOST TO MEIJI BOYS

Members of the ball team from Meiji University were tendered a reception last night at the Japanese Young Men's Christian Association. About 100 guests were present, representatives from the different colleges and high schools of Japan, as well as from local Oriental achools.

Following an address by Rev. G. Motokaws, the evening was turned over to the playing of games and the singing of school songs. School yells also served to liven the interest, old grads from different colleges in the homeland putting forth all efforts to excel former rivals.
